BOWLING GREEN HATS & ACCESSORIES

FOR WOMEN AND MEN

At Bowling Green Hats and Accessories, scarves and shawls are one of our specialties.

We bring you unique, one-of-a-kind, hand-crafted items not available through mass market outlets.

We focus on the natural fibers of silk, cotton, and fine quality wool.

Bowling Green Hats and Accessories guarantees you great value, as well as offering the highest quality.

We are devoted to bringing our customers the finest in traditional artisanry and contemporary elegance.

Our broad selection of distinctive accessories guarantees a delightful discovery for even the most discriminating taste.

Step-by-step Scarf Tying Techniques

This little guide illustrates a handful of contemporary and versatile ideas for enjoying your scarf as a fashion accessory.

With these simple techniques, you can create elegant styles to your personal taste: try them looser or tighter, longer or shorter, wider or narrower, combine ties, or use two scarves together to design your own unique style.

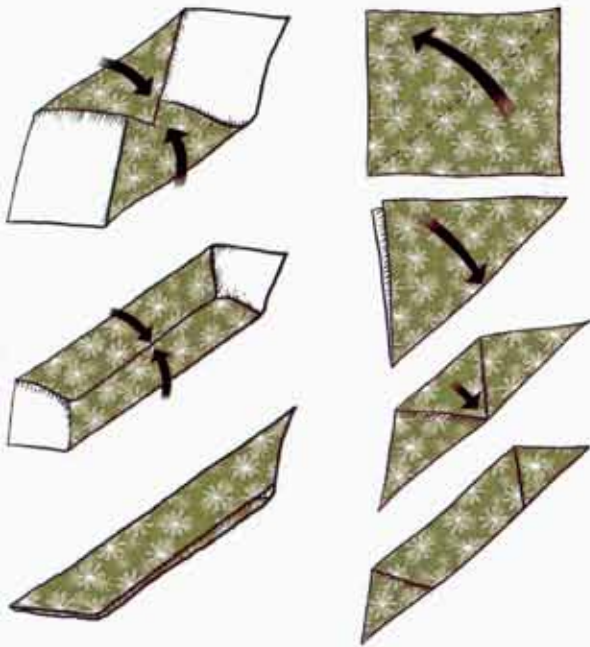

Now you have everything you need to add sophistication, color and flair to any outfit. it's easy (fun too) to create your own personal fashion statement!
